## **Sip Kids**

Terry Moore ha sempre desiderato lavorare a una striscia umoristica per i quotidiani, ma è invece diventato famoso per la saga di Strangers in Paradise. Quest'anno, Terry ha unito le due cose, creando queste deliziose storie in cui il cast di SiP, in versione scuola elementare, abita un quartiere che ricorda quello dei Peanuts di Schulz. Un volume cartonato a colori, prezioso e delizioso, per tutte le età, ma che farà particolarmente contenti i lettori di lunga data del grande cartoonist texano.
