This chronological list of school shootings in the United States before the 21st century includes any school shootings that occurred at a K-12 public or private school, as well as colleges and universities, and on school buses. Excluded from this list are the following:

Incidents that occurred during wars

Incidents that occurred as a result of police actions

Murder-suicides by rejected suitors or estranged spouses

Suicides or suicide attempts involving only one person.

Shooting by school staff, where the only victims are other employees, are covered at workplace killings. This list does not include the 1970 Kent State shootings, or bombings such as the Bath School disaster.
